MALAYSIAN ECONOMIC STATISTICS REVIEW (MESR), VOLUME 12/2024

The rise in Malaysia's labour market reflects the country's overall economic momentum, propelled by a 5.2 per cent growth in 2024's first nine months

MESR Volume 12/2024 edition focuses on the recent statistics released in October 2024 and some forthcoming statistics for November 2024. Furthermore, this edition features an additional article titled **"Crime Statistics in Measuring and Monitoring Social and Economic Well-Being of the Nation"** which discusses the importance of Malaysia's crime statistics in evaluating social and economic well-being. It emphasises the alignment of crime data with the SDGs, particularly Goal 16, to promote peace, justice, and strong institutions.

This MESR will assist users to have the latest information on economic performance in detail.

The full publication of the MESR Volume 12/2024 can be downloaded through [eStatistik](#) portal.
